DETAILED ACTION

Response to Amendment

1. The rejections of record are withdrawn in response to Applicants' amendment.

1.1 The restriction requirements of record are maintained.

Response to Arguments

2. Applicants' arguments, re: the prior art rejections of record, have been fully considered and are found persuasive. As a **result Claims 1-14, 17-18** are allowed.

2.01 Applicants' arguments, re: the restriction requirements of record, have been fully considered but are not found persuasive because even Applicants concede that the independent **Claims 1, 7 and Claim 19** vary greatly in scope.

Applicants are reminded that dependent claims inherit limitations of the independent claim that said dependent claims depend on.

2.1 Since applicant has received an action on the merits for the originally presented invention: **Claims 1, 7** and intervening claims, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, **Claims 19-22** are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Conclusion

* **THIS ACTION IS MADE FINAL.** See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period

Art Unit: 2112

will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
